Today we'll start a new life
And we'll say our last
goodbyes
To all the friends we've
grown to love
With whom we've laughed
and cried.

Remembering the fun and
laughter
The problems and the
fears,
And watching all our
memories grow
Throughout our high
school years.

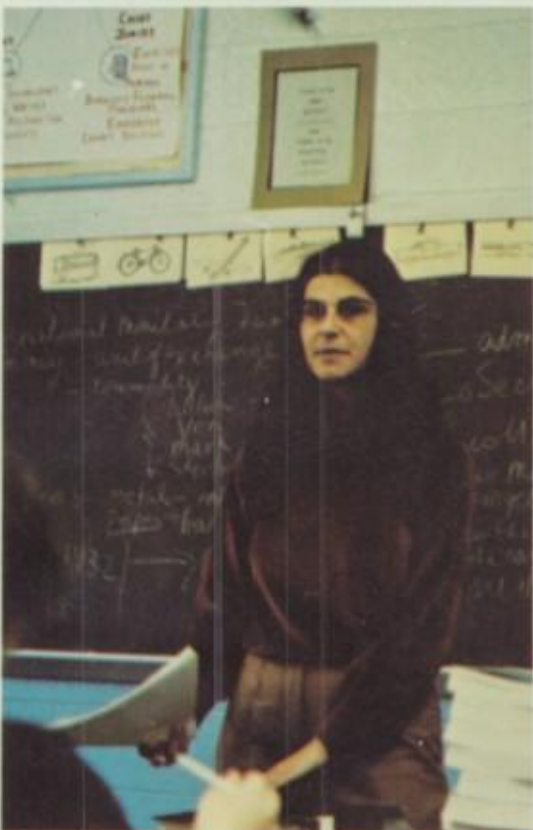

The memories of the
dances
And the new friends that
we've met,
Vacations, teachers, talk-
ing,
And exams we'd rather
forget.

Yes, high school days are
precious but brief
Where all your dreams
come true
It is not the end, but the
beginning
Of a life we'll start anew.

— Anon

Remembrance goes along my memory,
pushing aside with subtle feet
the withered leaves.

Behind, the house is empty.
In front, highways leading somewhere else, de-
serted, rigid.
And the rain weeping there by the eyeful, as if the

eternal hour had been blinded.

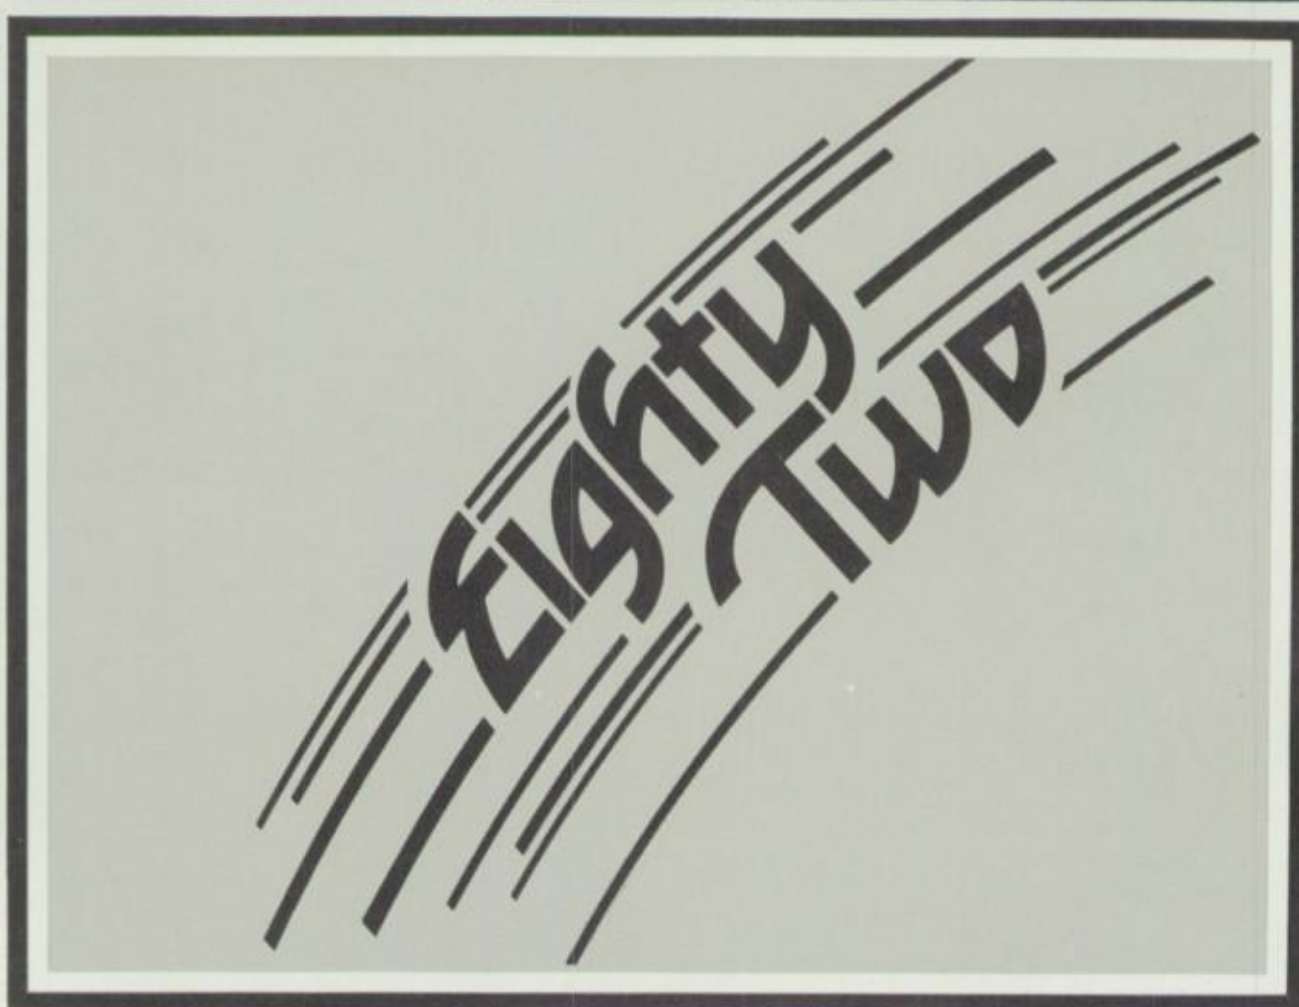

Though the house is mute and shuttered, though I
am not there, I am there. And . . . Good-by, you
who are walking away without once looking back!

The Mountain View Music Department had an exceptionally good year in 1981-82. Many of our students excelled in both instrumental and vocal fields. Many of them went to the County Music Festival held at Susquehanna Community High School in the fall of 1981.

Advancement in the Pennsylvania Music Educators Association (PMEA) also improved. Theresa White, Laurie Moore, and Ann Lopatofsky were selected to go to the District Band Festival held at MidValley High School. Theresa qualified for the Regional Band Festival held at Abington Heights High School.

Laura Kane, Nino Bennici, Victor Glemboski, and Richard Stoddard were selected for the District Chorus Festival held at G. A. R. High School. All four qualified for the Regional Chorus Festival held at Bishop O'Reilly High School.

SENIOR HIGH

The Senior Band, directed by Mr. Hendrick Marr, put on two concerts, one in December and one in May, which included many styles of music for the audiences' enjoyment.

If the seniors participated in Band at least 3 years, in their senior year they received a music letter and a pin.

The Chorus also presented Christmas and Spring Concerts. The music performed varied from contemporary love songs to songs from the "roaring twenties."

Chorus members received their music letter and pin in their senior year if they had 5 years of participation in Jr. and Sr. High Chorus.

Leo is the sign of the King, ruler the sun.

The emotions of this type tend to be over-generous and too wide-spread. This sign is most easily recognized by its commanding presence, stateliness of bearing, and deliberation in speech and movement. It is not easy to pass

over a Leonian in a crowd and even when he is small, he generally makes his presence felt.

In the matter of health, a Leo rarely does things by halves, and generally either has exceptionally strong-radiating vitality around him or is on the sick list.

Aquarius is the sign of the Truth-seeker; its ruler is Uranus.

The water-bearer is represented as pouring forth liberally the water — the emotion — which he or she carries, and the affections of the true-born Aquarian are certainly far-reaching and widespread. The attitude to the whole world is kindly and humane. People of this type will

take any amount of trouble to increase the comfort and well-being of those around them, and will find great satisfaction in devising simple pleasures for others.

The influence of this sign often shows physically in remarkable nobility of feature, and especially of profile. It is emphatically the sign of man.

MARILYN FARGNOLI: 7 & 8 Grade General Music, Junior and Senior Chorus, Vocal Instruction . . . M. V. Music Theatre.

Virgo is the sign of the Critic, ruled by Mercury.

The Virginian heart, like steel of Vulcan, is true metal, and not easily melted. However, once this occurs, the melt takes a long time to cool. The Virginian takes refuge in his one panacea of hard work.

The Virgo type is associated with a somewhat wiry build, generally strong and muscular, capable of enduring long hours of steady work and much physical fatigue. The expression is always intelligent and sometimes keenly critical.

IRENE DEMCHAK: Home Economics.

LOUISE KILKENNY: School Nurse.

Pisces is the sign of the Interpreter; its ruler is Neptune.

The strength of the typical Piscarian lies in his ideals and aspirations rather than in his actions. He usually does not seek power or fortune; instead, he desires that the inner self be left free to feel,

dream, and grow according to its own nature.

The physical stature is generally rather small; the skin is soft; the hair is usually fine and silky. The eyes and complexion are usually light.

Scorpio is the sign of the Inspector and ruled by Mars.

In friendship, Scorpions tend to be intense and distinctly exclusive, and are prone to sudden and strong antipathies and likings. They despise gush and sentimentality. They dislike demonstrations of all types.

This type is said to have a powerful, muscular, and some what thickset frame with dark eyes and strong antipathies and rather heavy features. Scorpions are generally proud of their command of feature and immobility of expression.

The sign of the Artist, and is ruled by Mercury.

The Geminian's craving for perfect expression and desire to influence those around him makes it impossible to suffer in silence and isolation; he must make friends and relatives face the same problems.

The Gemini type is generally associated with a slender figure, agility of movement, and small features. The eyes are often gray or hazel, bright but not very large. Complexion is pale as a rule, and tans are most prevalent.

The sign of the Prophet, and ruled by the Moon.

The highly evolved Cancerian is the master of many moods. The whole gamut of emotions lies open to him; he can feel, and make others feel, joy, sorrow, compassion, horror, and despair as no other type can, seizing the imagination and holding it by the power of imagery and the intensity of his or her own feelings.

This type is very romantic, though often too shy or proud to betray the fact, for ridicule is torture to the Cancerian.

The sign of the Counselor and ruled by Jupiter.

The Sagittarian is frank and projects outspoken sincerity. As a result, this type of person attains many friendships based on these characteristics.

A Sagittarian generally has a well-shaped head, breath of forehead, a frank and open countenance, quick movements, and an inclination to vigorous gestures. The eyes are generally bright and observant and often twinkle and dance in the sun.

The sign of the Scientist; its ruler is Saturn.

A tendency to some extent, for it makes them inclined to cultivate people of superior social position. They pay attention to those who are "in the running".

Capricornians are most difficult to

describe and classify physically. Some of the old books insist much on the serious aspect of the Capricornian, his tendency to dispondency, leaden looks, swarthy complexion and sleek, black hair. As a rule, they are exceedingly lively and talkative.

CHARLES SNYDER: Principal . . . Yearbook Advisor.

CROSS COUNTRY: A SPORT OF ENDURANCE

This year, the boys' and girls' cross country teams showed records of 1-7-0 and 1-6-1, respectively; however, they put forth a tremendous effort throughout the season. The leaders of the pack were the veteran runners of the team, Sharon Myers, a junior and the two seniors, Marion Bouika and Neal Chidester. These three were also selected for the Northeastern Athletic Conference All-Star Team.

SUCCESSFUL SEASON FOR MV BOOTERS

The 1981 Eagle soccer team completed a successful season. The Eagles compiled a league record of 5-3-4 in competition with the other Northeast Athletic Conference teams.

Larry Herbert was nominated to the 1st team All-Stars. Pelle Magnusson, Ken Carpenetti and Dave Ofalt made 2nd team All-Stars with Robert Berish and Victor Glemboski receiving honorable mentions.

The team is losing 7 senior members; therefore, Coach Candelori looks forward to a rebuilding year.

Faith Symons, Cindy Decker and Sandy Decker made 2nd team All-Stars while Sue Pompey received an honorable mention.

TOUGH TEAMS HURT EAGLE CAGERS

The 1981-82 Boys' Basketball team, 3-16 in league action, had a disappointing season as only one varsity player returned from last year.

Jim Compton's .633 shooting percentage led the Eagles while Larry Herbert led the team in scoring and average points per game. Larry was also chosen to the 2nd team All-Stars.

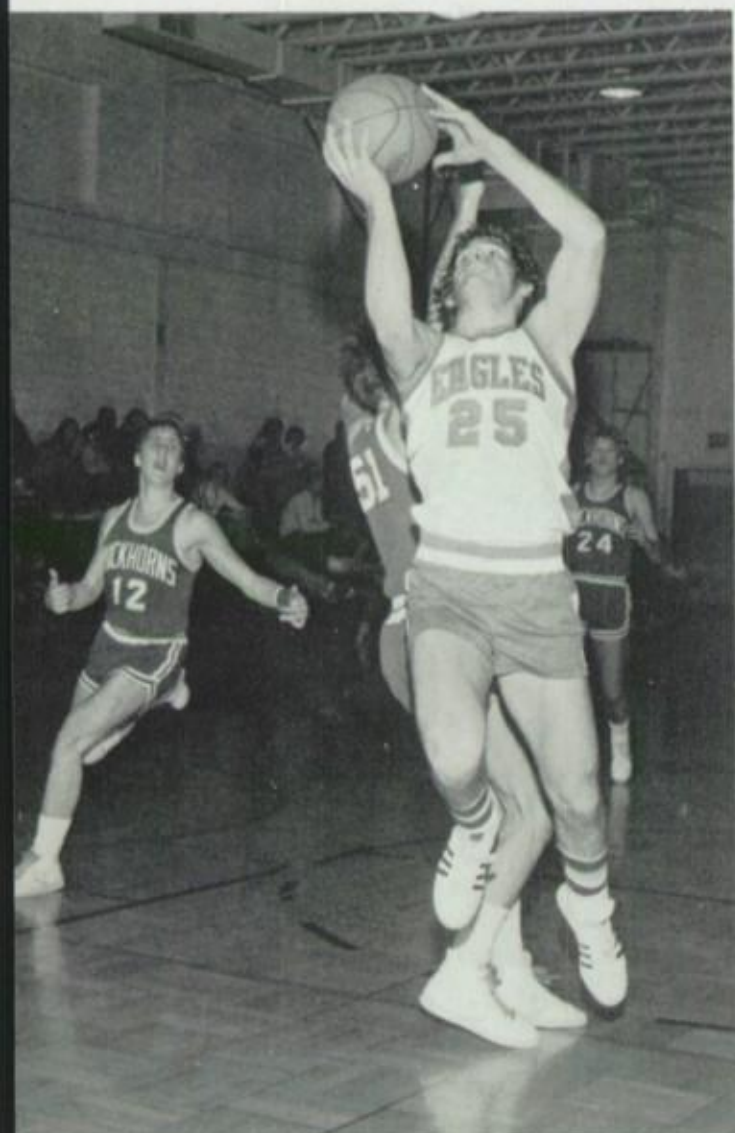

There are six seniors leaving with many experienced players returning for the Eagles of '82-83.

M.V. GIRLS HAVE A GOOD YEAR

The Mountain View Girls' Basketball Team had an exciting season again this year. The varsity team had only 2 losses during the exhibition season, one being in the finals of the Susq. County Christmas Tournament. Two girls from the team, Sharon Myers and Cheryl Ridgeway, earned All-Star Team honors enroute to their second place finish.

The regular season ended with a disappointing 5-11 league record, dispelling their hopes for a play-off berth. This record does not indicate the team's talent or how close many of the games actually were. Sharon Myers earned second team honors for her league performance.

The J.V. team finished the year with a 6 and 13 record.

The Mountain View Basketball Cheerleaders were constantly there to cheer for the team this season. The cheerleaders participated in a bake sale which raised money for sweatshirts for the squad. M.V. GRAPPLERS CHANGE COACHES

The MV Wrestling team started the '81-'82 season under the new coaching staff of David Kovaleski, assisted by Dennis Holbrook, Ken Decker, and Doug Larkin.

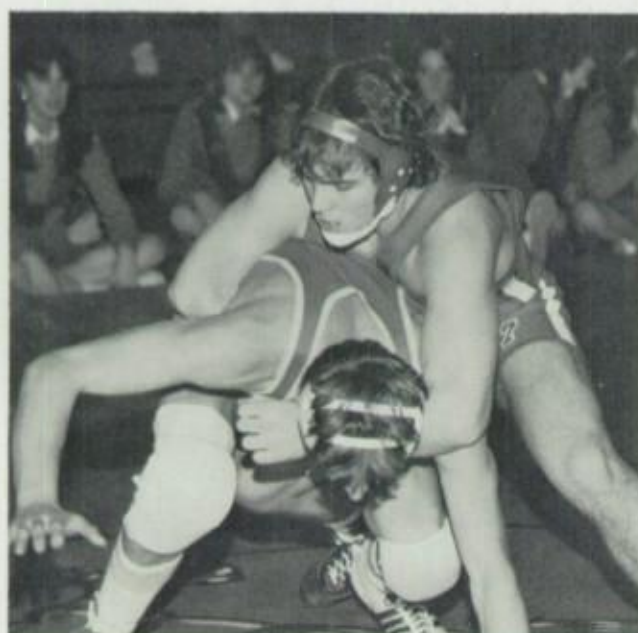

The Eagles this year compiled a league record of 4-3 with only 2 seniors, Gary Latimer and Nick Fornicola, who also served as co-captains.

Many individual honors were won this year. Tracy Burns, Stu Latimer, and Gary Latimer were District champs while Gary finished 3rd in Regionals and qualified for the State Tournament.

The outlook for the Eagles is very promising.

Wrestling cheerleading advisor, Mrs. White.

This year's wrestling cheerleading squad did a fine job of raising the spirit of the wrestlers and also of the whole student body. With the help of the wrestlers they performed a skit at our annual pep rally and also raised money for jackets.

The success of the squad should be credited to the co-captains, Mary Conrad and Tammy Smithbauer, and also to their advisor, Mrs. White. There were seven seniors this year who will be missed by all.

Tammy shows her spirit.

"Boy those lunches can really get to ya!"

The ever-popular saying ...

Miss Peters, I know a house that needs to be painted!

Lunchtime can be pretty bizarre!

"Oh no! I really wore this down to Mr. DeLuca's office!"

Mr. Tom's Physics class threw him a wild birthday party!

"Do I look like I'm enjoying myself?"

"Hey, wow! I think I'll do this for a living!"

"You don't know me, do you?"

"If Mrs. Seibert sees you ... !"

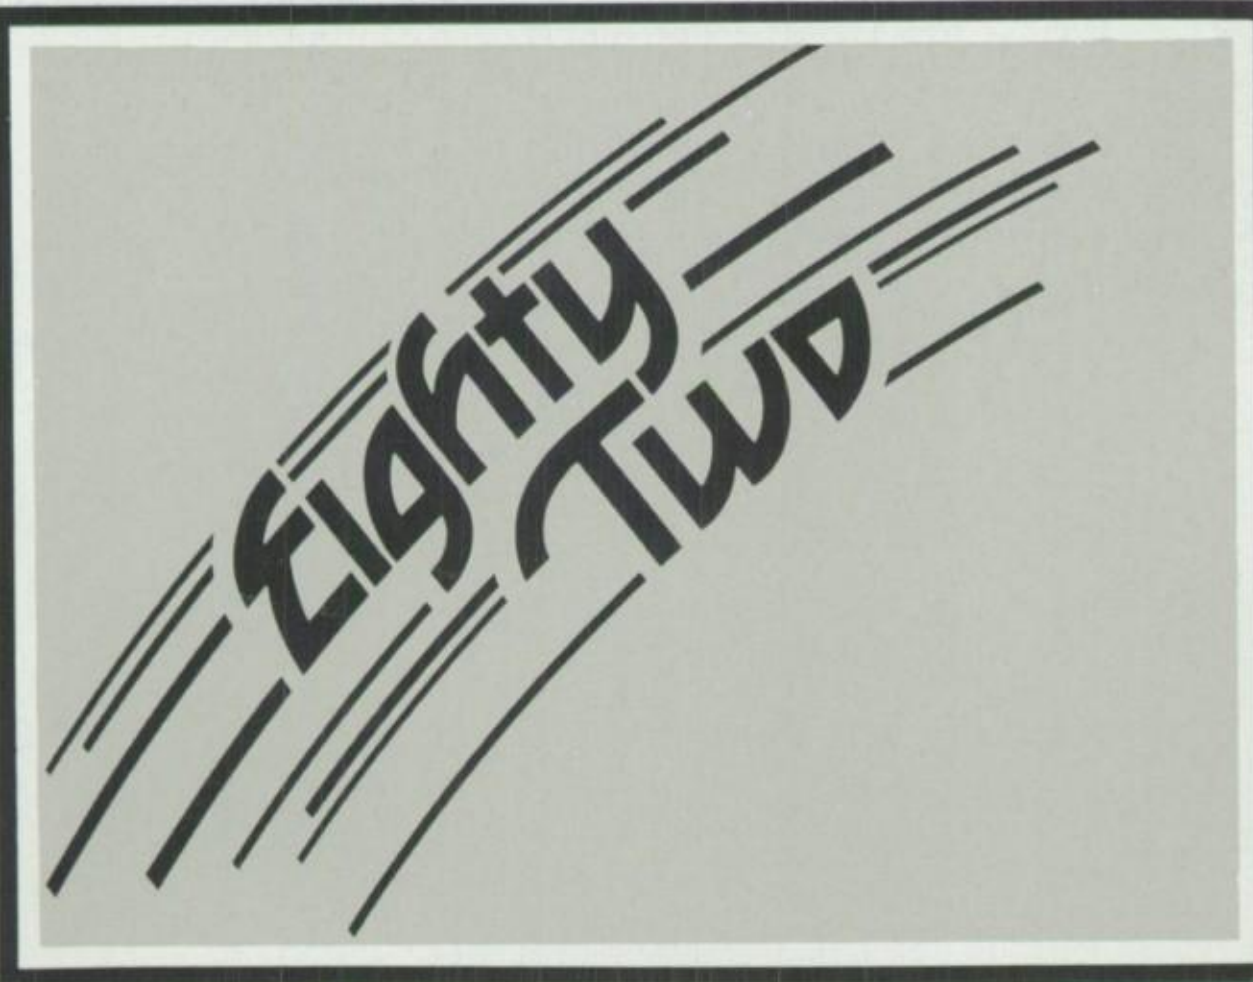

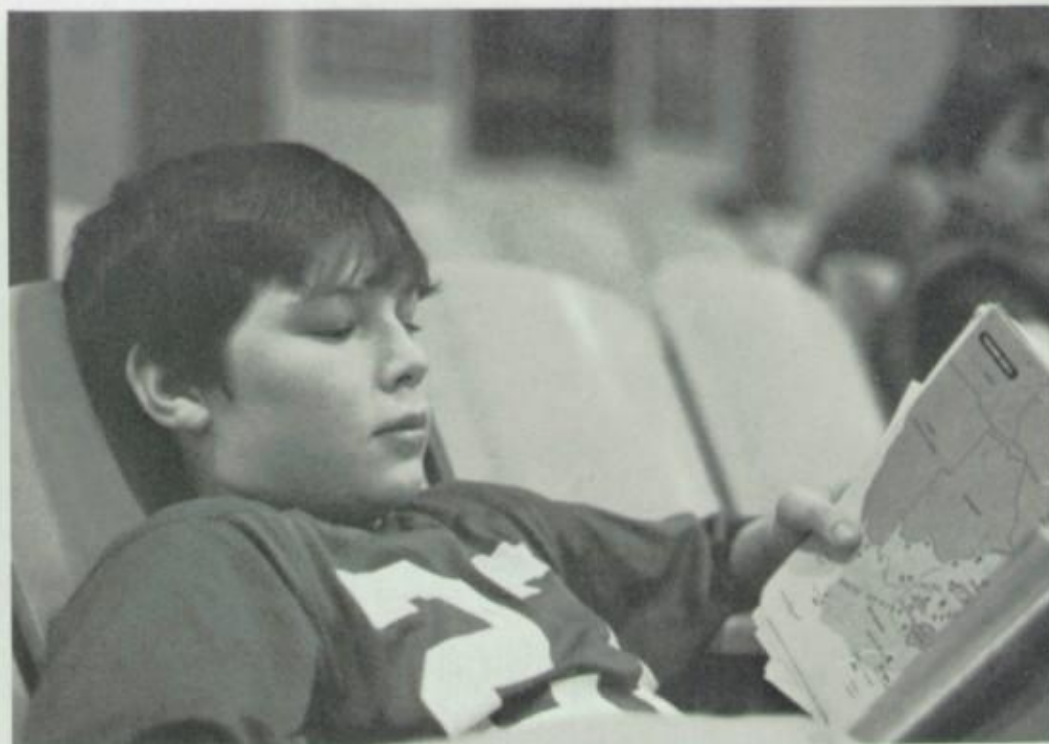

"Please get out of MY art room!"

WHAT IS THE PURPOSE OF INTRAMURALS?

What a rowdie crew!

How embarrassing!

Like getting thrown around, Jodie?

Curly, Larry, and Moe

Intramurals are to help young people keep fit while having fun. It also enables them to learn the meaning of fair-play and good sportsmanship.

Seventh and eighth graders compete within their classes in a large variety of sports. This helps them decide which sports, if any, they would like to go out for when they reach ninth grade.

OUR FUTURE TALENT — JUNIOR HIGH ATHLETES.

GIRLS' BASKETBALL

The girls had scheduled practices as a team in hope that they could, in future years, play varsity basketball.

Row 1; J. Wood, B. Stoddard, M. Blodnikar Row 2; W. Mack, T. Snyder, S. Wood, L. Jarnigan, L. Hector, C. Ridgeway Row 3; L. Morse, H. Jennings, D. Koshinski, H. Price, S. Gerrard, B. Very, L. Eimers, R. Jendrek.

WRESTLING

Ken Decker coached the Mountain View Junior High Wrestling team to a 7-3-1 record for the 1981-1982 season. To cap off their outstanding season, the team won the Susquehanna — Wayne Counties Association Tournament at M.V. for the first time in the team's history. Champions were Greg Feduchak, Darrin Larkin, Robbie Taylor, Greg Piechocki, and Robbie Hagenbuch.

Row 1; D. Larkin, B. Phillips, T. Homet, R. Hagenbuch, R. Decker, R. Ransom Row 2; S. Oakley, K. Mason, D. Randall, R. Taylor, B. Young, G. Feduchak, S. Jones, D. Orlando.

BOYS' BASKETBALL

The Boys' Junior High Basketball Team displayed good balance of rebuilding. The team finished with a 4-4 season, playing against other teams which involved ninth grade students. The M.V. team was composed of seventh and eighth grade students only.

Row 1; M. Abrams, J. Pennay, D. Robbins, B. White Row 2; M. Zappe, D. Compton, C. Moran, C. Denike, B. Belcher, J. Shipsky Row 3; S. Mensel; manager, C. Bradshaw, M. Crandall, M. Kavetski, M. Daniels, G. Manuel, E. Nowell, R. Miller.

"NO JOB TOO SMALL!"

Congratulations

Often we think of the word "commencement" as an end. In reality, of course, the word refers to a beginning. As you leave high school to begin college, a new career, or to enter the military, we would like to congratulate you on a job well done. We also hope you will continue the quest for excellence that your diploma proves you can achieve.

THE FINAL DAY . . .

THANK YOU . . .

All right — this is it. This is our page . . . where we get to say what we want to say.

First of all, we would like to thank anyone that helped us to put this yearbook together. We would like to thank Mr. Popick for lending us a typewriter . . . it took awhile to get it up the stairs but we managed! We thank Mr. Dillon for letting us use his index cards and stapler 110 times a day. We thank Mrs. Seibert for not charging us for the overdue astrology book. We thank Miss DeLeo for finally getting used to the "tail wagging the dog", and all the other teachers for being patient as we were always interrupting their classes. We thank Mr. Myers for telling us who all those little kids were that we'd never seen in our lives before, and for not reporting our roaming-the-hall habit.

But most of all, we'd like to thank Mr. Snyder and Mrs. Wilding for their patience and understanding. (at least we didn't burn down the school with the coffee pot!)

Mr. Snyder, we say thank you for everything you did and especially for not slitting our throats when you saw our creation on the once-yellow wall.

Doreen, we thank you for all those late slips you wrote up and for all the "dirty work" you did for us.

We thank everyone again and please include yourselves if you were forgotten.
